

2018 Education Passport

**ATTEND CLASSES FOR FREE OR
AT A REDUCED RATE**

What is the Education Passport?

An Education Passport is an optional one-time annual fee included in the annual dues billing. This flat fee of \$55 covers all the regular education classes for the year. Members pay the fee up front and would no longer have to pay for any regular education class, technology training, or general continuing education class including the required **14-hour CE series** and **Ethics classes**. In addition, Members may enjoy substantial discounts on REALTOR® designation classes (such as GRI, SFR, SRES, ABR) or other special events. Those members who decide to opt out of the Passport can still take advantage of these courses, but would have to pay the full course fee for each individual class.

How will you benefit?
